

LELY HIGH SCHOOL BAND BOOSTERS

Home of the Trojan Marching Band!

Dear Lely Community,

Under the direction of Mr. Joseph Riedl, our band season is in full swing! This year, the Lely Band will be prominent in our community performing in parades, competitions, and concerts. They have been working extremely hard to bring down the house at football games, pep rallies, and other events displaying their Trojan spirit! As you know, a band program has many moving parts both in and outside of our classroom. They work countless hours on their craft to share their love of music and theatrics with each of you. We cannot support the band and color guard members without the support of our local community, businesses, alumni, and families.

Please partner with us as we strive to bring our #TrojanPride to our community!

With so many students involved in our organization, we would like to ask for financial support. We are asking for monetary donations for our organization expenses to maximize our financial potential on top of the fees our students pay to participate in our programs and the fundraising efforts they put in. In return, your name or business will be displayed on our website and social media outlets as a sponsor of our music programs. We are a 501c3 organization, and our Tax ID will be provided for any donations. Thank you in advance for supporting music for students at Lely High School and in our community!

Best regards,

Joseph A. Riedl, M.M.
Lely High School Band Director
